HELLO! THANK YOU FOR YOUR INTEREST IN DONATING TO ARTS & SCRAPS!

Arts & Scraps has served Detroit and Metro Detroit for over 30 years. We use recycled materials to empower the community through increasing access to resources and teaching students arts-integrated STEM lessons. Your support helps us continue to be a sustainable organization while growing our impact in the communities we serve.

HERE ARE THE WAYS YOU CAN DONATE TO ART & SCRAPS:

FINANCIAL SUPPORT

We are so grateful to our wonderful supporters for their financial donations! Your financial support helps us continue our work in the Metro Detroit community! There are multiple ways to financially support us:

General Funding!

Our Community Store Scholarship was designated to provide approximately 275 local teachers, artists, entrepreneurs, and non-profit organizations with the materials they need to make an impact in the community.

FINANCIAL SUPPORT

Francine Pegues Scholarship:

Francine Pegues Scholarship Fund commemorates Francine's 9 years of service (6 years as board president) at Arts & Scraps. Francine has worked hard to keep Arts & Scraps affordable and accessible to the community, and this fund will continue to serve that purpose.

Money raised through the Francine Pegues Scholarship Fund will support children and schools with limited financial resources to enjoy our services.

It is designated to help students and schools afford field trip services, cover the cost of travel fees, and access educational materials providing an equal opportunity to create, imagine, and learn.

Tips for a successful donation

Check out our donation list, or send us an email with any questions you might have about an item.

Bring your items in a container that you do not want back. Bins, tubs, boxes or bags are all great as long as you don't need them back.

Keep your items organized as much as possible inside your donation containers. Even if it is just separating everything into plastic grocery bags, this action saves us hours everyday. Are you emptying drawers of sewing notions from a relative's house? Just put each of those drawers into a plastic bag.

THANK YOU FOR YOUR INTEREST IN DONATING! HOWEVER, WE DO NOT ACCEPT THE FOLLOWING ITEMS

Magazines/catalogs, Ceramic figurines, any glass objects, candle jars, prescription medicine bottles, stuffed animals, clothing, egg cartons, styrofoam trays/packing pieces/peanuts, plastic food containers, paper towel/ toilet paper tubes and scraps of paper or fabric smaller than your hand.

While donating, please be mindful that we try not to accept anything that could be recycled from your own home. We use our extra labor hours to sort and take non sell-able recycle ready objects to other organizations. This slows down our sorting process, takes labors away from gathering ideal donations and costs money.

MATERIALS

From a business

What does your business throw away that is clean, safe and interesting?

We are looking for items that have no value to you, but are treasures to us - punch outs, promo items, samples, surplus, obsolete materials - it's hard to ask for things that we don't know exist! Smaller is better than larger, color is a bonus. Items must be clean and ready to be used by children.

We will come to your site and check materials, then pickup materials on a schedule convenient for you. We also receive donations by freight or mail. Over 180 businesses nationwide already save landfill costs and support children - join them and recycle with us.

We will not accept sharp objects, materials containing lead or phthalates, the plastic is harmful to children.

Typical industrial materials accepted:

- gasket scraps
- cuttings and punch-outs
- washers or part covers used in shipping
- fabric
- vinyl or leather scraps
- smooth wood and wood turnings
- colored paper
- surplus or outdated stock
- unusual packing material (no Styro worms, please)
- sturdy cardboard tubes
- samples and sample books
- foam pieces
- promotional materials—badges, magnets, misc.
